

SHALIMAR II

Pershing 90

Pershing 90 SHALIMAR II is a super yacht unlike any other. The fast and furious Shalimar II can fly across the water at a whopping 45 knots and can hop from island to island in the twinkling of an eye. The crew, coming from SHALIMAR I, knows the islands of Ibiza and Formentera so well that they can show you places that nobody knows and also book tables in restaurants and clubs with impossible waiting lists

- Shalimar II was extensively refitted in 2018 (hull painting, new teak, new instrumentation, new interior and exterior fabrics...).
- The yacht's been fitted with brand new Seakeeper Stabilizers.
- She's moored in Marina Ibiza's VIP area, which is a stone's throw from prestigious boutiques and Lío, one of Ibiza's hottest restaurants.
