interior living

Beautiful. Elegant. Luxurious.

As you enter, you are greeted by a large, round dining table situated aft, providing an elegant setting for memorable meals with a panoramic view of the sea. Moving forward, the heart of the salon features big, comfortable sofas, perfectly arranged for a lazy afternoon of movie-watching or simply relaxing in good company.

Forward of this inviting area, you'll find a conveniently located day head, ensuring easy access and privacy for guests. Additionally, the yacht boasts a dedicated office space, complete with a sofa, offering a quiet corner for those who need to stay connected or seek a moment of solitude with their thoughts.

This blend of functional and leisure spaces within Benita Blue's interior creates a harmonious balance, ensuring every moment aboard is both luxurious and comfortable.

master cabin

This luxurious space is more than just a bedroom; it includes a private saloon for added comfort and privacy. The cabin is uniquely designed with 'his and hers' bathrooms en suite, one equipped with a shower and the other with a bath, providing a spa-like experience. The attention to detail in the design and amenities of the Master Cabin offers a serene and lavish retreat for guests.

Demonstrating the yacht's versatility, the Master Cabin can be transformed into 2 separate double cabins. Each of these cabins maintains its own distinct character and comes with an en suite bathroom/shower, ensuring privacy and convenience for guests.

guest cabins

Benita Blue has further accommodation in two twin cabins, both of which can be converted into doubles upon request. The contemporary look is accentuated with designer lighting, airy palettes, and generous use of mirror paneling. For even more flexibility, you will find an additional Pullman bed in each of the twin cabins.

The ensuite bathrooms are sleek and chic, with a perfect environment for grooming and pampering after fun days in the prettiest coves. Each cabin has an entertainment system, allowing culture vultures to catch up on their favorite movies.

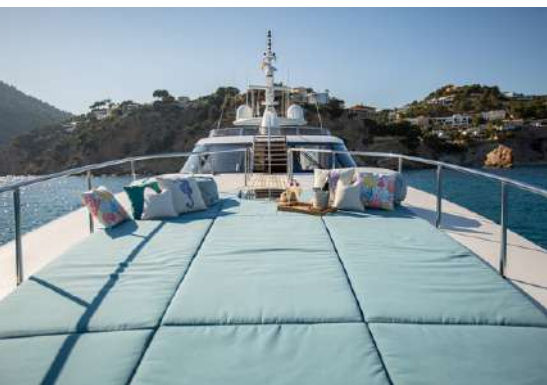

exterior living

Wave goodbye to the hustle and bustle.

The outdoor areas of Benita Blue are a true homage to marine living. Her flybridge is the ultimate social hub with a round alfresco jacuzzi where you can melt away any stress accumulated over the year. The fitted cushioned tanning area will be perfect for stargazing at night - closer to the stern, you will find one of the many dining areas where you can indulge in mouth-watering dishes prepared by your onboard chef. Feel the breeze grace your skin on the gorgeous bow solarium, where you can also absorb the views while Benita Blue smoothly cuts into waves.
