“

We spent 7 wonderful days wandering around in the south small bays, beautiful water and time alone was our goal. The Captain did it all. The crew was fantastic and the chef Superb! Games, snorkelling cards and long meals were a highlight. Turkey was everything we hoped it would be. Off the boat on a Saturday to Ephesus and the end of a magnificent week. We all hope to return to Kaptan Kadir.

We would like to stretch our sincerest gratitude to each and every team member of Kaptan Kadir. You are not a crew, you are a team who made our stay very interesting and pleasing. Positive attitude & lots of smiles! The trip was better than we expected and we hope to continue coming back year after year.

It is the fourth travel for us in Turkey but the best one. I loved this country before but never like this time. Kaptan Kadir permits us to see the most beautiful places and sea in the world!!!

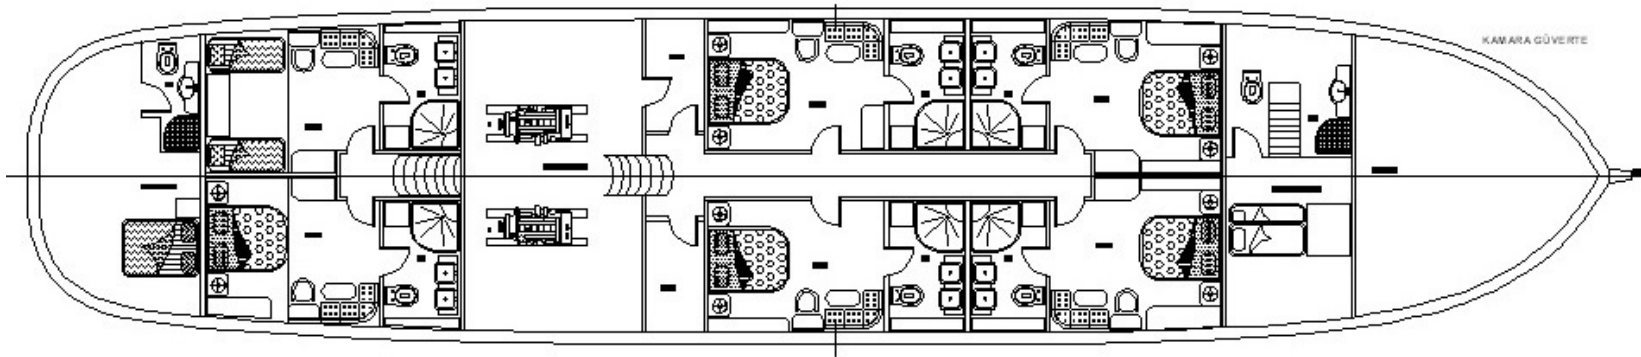

It was a wonderful week, on a wonderful ship with a wonderful crew. Congratulations from our heart to Kaptan Kadir for designing and building such an extraordinary boat, with such quality, so much space and so many details to please everyone. And thank you so much to all the crew for their efficiency and sympathy, which has made all of us feel at home in this - your - beautiful country.

The only thing that excelled in the beauty of the area was the hospitality of the crew! Thank you for making our first trip to Turkey so memorable. We loved our time on your beautiful ship.
