A TIMELESS MASTERPIECE

Delivered in 1952 at the renowned Uljanik shipyard in Pula, Croatia, SEAGULL II is a classic motor yacht that embodies history, elegance, and sophistication. Based on exquisite Italian blueprints from 1930, her design captures the golden age of ocean liners. Over the years, SEAGULL II has welcomed distinguished guests, including His Majesty King Frederik X of Denmark, eminent statesmen, and celebrities like Bono, exuding a grace worthy of royalty and the world's elite.

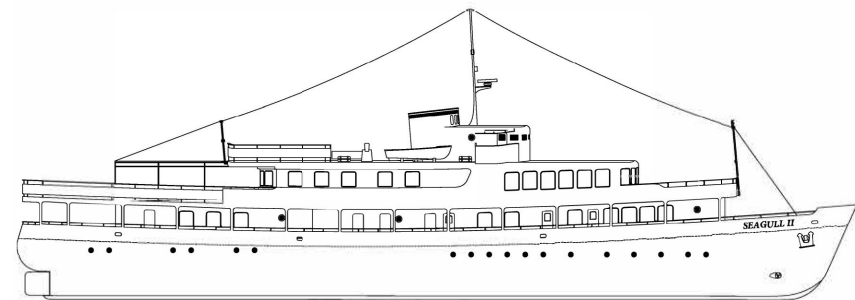

Originally part of the celebrated "Six Poets" series, SEAGULL II underwent a meticulous transformation in 2004–2005 by the esteemed DE Wave Group. This comprehensive refit seamlessly blended her original ocean liner aesthetics with the refined elegance of Art Nouveau, creating a yacht that bridges history and modern luxury.

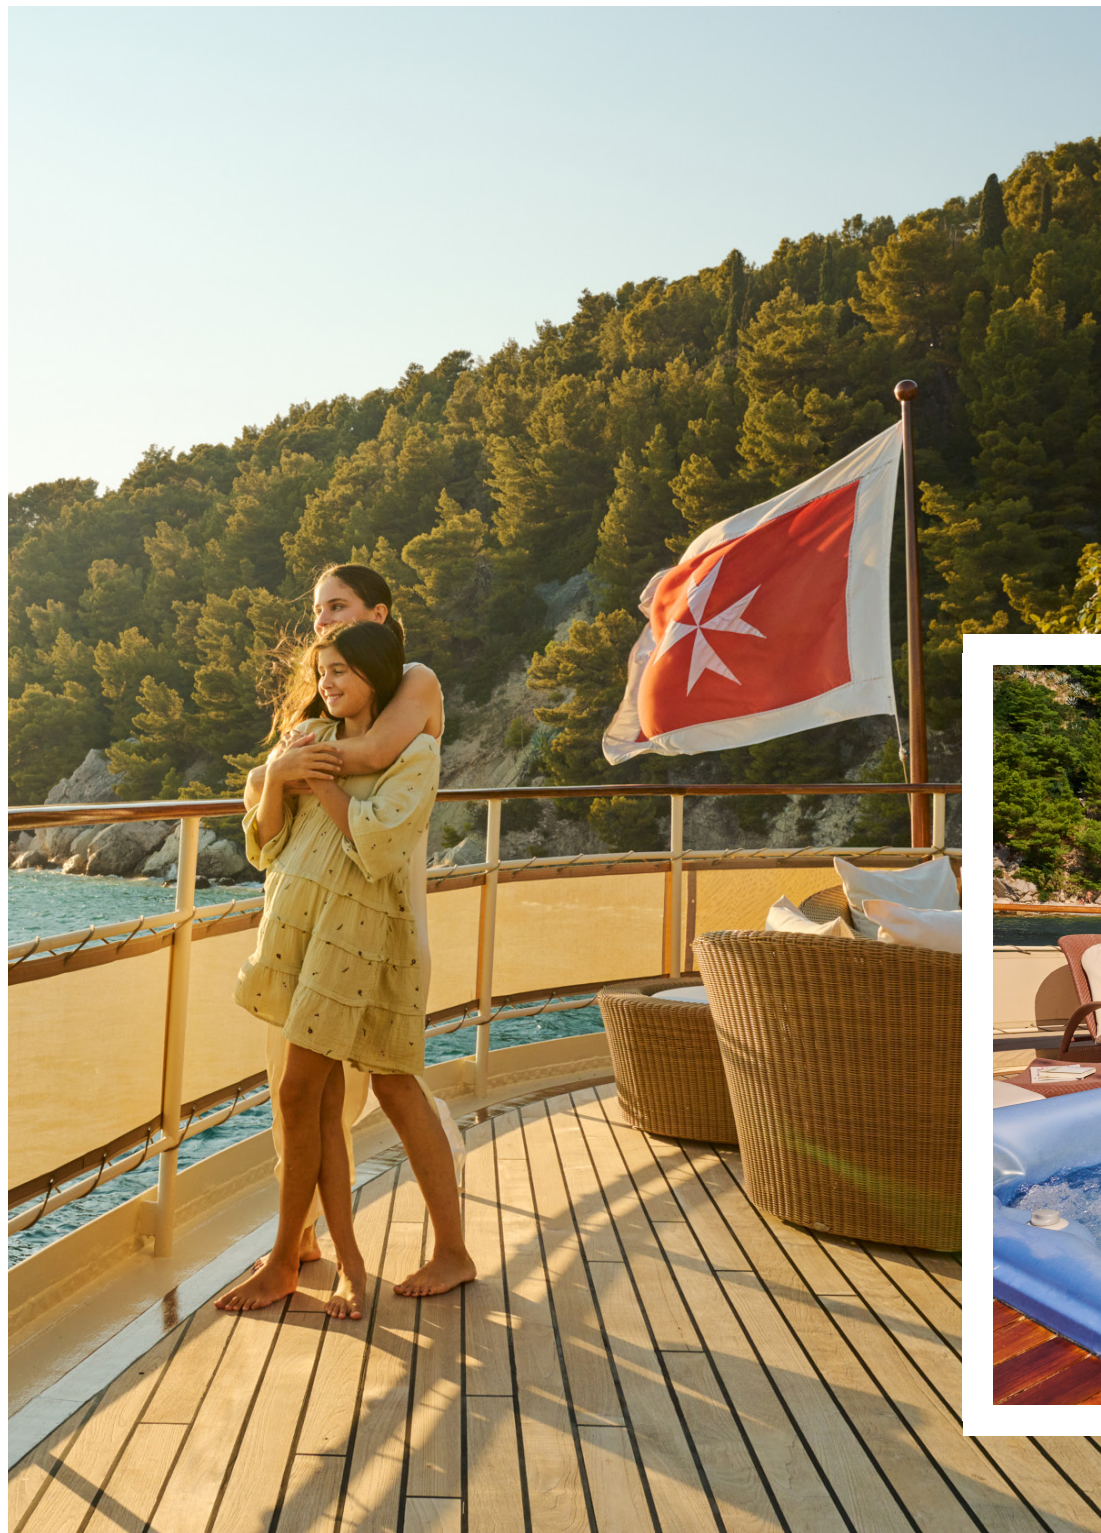

Today, SEAGULL II is a state-of-the-art vessel, equipped with the latest technologies and luxurious amenities. Her timeless design, enhanced by contemporary features, makes her a true legend of the Adriatic—a place where history and modernity unite in perfect harmony.

WHERE HISTORY MEETS LUXURY

SEAGULL II stands among an elite class of yachts that embody historic value and timeless elegance. Like the iconic HMY Britannia, Christina O, and Pacha III, SEAGULL II originates from a golden era of yachting.

Her transformation from a passenger ship to a luxury yacht preserves a unique slice of Yugoslav and Croatian nautical history. Today, she serves as both a vessel for holiday exploration and a floating testament to a bygone age, offering guests a rare journey through time and luxury.

EXTERIOR

SEAGULL II's timeless profile captures the spirit of 1930s ocean liners. Her expansive decks offer shaded lounging areas, alfresco dining spaces, and a Jacuzzi perfect for soaking in the Mediterranean's beauty. Her upper deck is a favorite among guests for sunbathing or enjoying cocktails under the stars.

INTERIOR

Step inside SEAGULL II, and you're transported to the golden age of yachting. From the plush main salon to the intimate dining room, every corner is imbued with history and opulence.
