„Our family had an absolutely fantastic time, and it was so hard to leave! Luka and his team made us feel right at home, and we can't thank them enough for their hospitality. The kids have already started school, and we're all back to work, but we're still reminiscing about the incredible memories we made. Special thanks to Ivan for spoiling us with his culinary talents—it's been tough going back to our own cooking! Luka, you are an incredible young man and a very capable captain. We have no doubt that you have a bright future ahead of you. Zivili!”
