# meet White Fang

An option that will never fail.

Probably one of the most established yachts in the Balearic Yacht Charter, White Fang was built and designed by Mochi Craft in Italy.

Built in 1996, she was refitted in 2018 to assure contemporary comforts to guests who'll surely enjoy serendipitous adventures and unforgettable summer days spent on this alluring charter yacht.

White Fang features an elegant interior with a fantastic layout, which offers the utmost space on a yacht of her size and is perfect for a relaxing holiday.

## interior living

Classic. Spacious. Comfortable.

The salon is elegantly furnished with two navy blue leather sofas perfect for lounging or movie marathons. Large windows offer both scenic views as well as an abundance of natural light that helps create a lovely atmosphere, and a dining area in the salon makes for the perfect spot for dining during breezier soirees.

With a variety of dedicated spaces where you can enjoy both socialising with company and quiet moments to catch up on reading, White Fang is truly a spectacular yacht that will satisfy even the most demanding charterers. This marine beauty attracts gazes with her enthralling design and offers sublime living conditions during relaxing cruises.

If you decide to head to the port's town for an outing in an upscale restaurant, a tender is provided - but first, you might want to refresh and groom.

## exterior living

Sit back and relax while White Fang cuts the waves.

Her lovely exterior boasts vast spaces for a variety of activities and can be divided into three areas – the aft deck with a dining table to enjoy mouth-watering meals during intimate family dinners – the flybridge with Jacuzzi is ideal for bigger groups since it boasts plenty of lounging and seating areas with a barbecue, perfect for preparing your daily catch of fish if you decide to make use of the fishing gear provided for charter guests – and the forward sunbathing area, has room for three guests to soak in the sunrays and is slightly submerged to allow stable tanning even during fast cruising.

# master cabin

The full beam master suite offers an elegant neutral design with its own set apart seating area and built-in sofa perfect for TV viewing or DVD watching. The master suite bathroom boasts his and hers double wash basins, a separate shower and spacious jacuzzi, perfect for soaking and relaxing in a luxurious bubble bath.

You will no doubt enjoy the utmost comfort and find everything you need during your delightful stay

# guest cabins

The remaining guests don't need to worry as the additional suites are equally equipped with ensuite bathrooms, and the remaining two double cabins and one twin cabin, all provide a perfectly comfortable stay. Equipped with satellite TV, DVD and iPod docking stations, they are all equivalently tasteful and also designed in soothing tones, so that each guest will enjoy the utmost comfort whilst cruising onboard this timeless beauty.
